

SMPS-CT

History and Description

DATE OF INCORPORATION

1983 as SMPS, Southern New England Chapter

When the Chapter was being formed in 1982, it was not necessary for the founding members to file with the State of Connecticut in order to be a certified chapter. However, they were advised early in 1983 that they had to file for incorporation with the State. Therefore, actual incorporation did not take place until 1983.

HISTORY OF OFFICERS AND BOARD OF DIRECTORS

1981-82 A number of Connecticut marketers who had been attending the SMPS meetings in Boston whenever possible, decided to form a chapter in Connecticut. They contacted Diane Creel, then President of the Boston Chapter, and advised National of their interest in forming a chapter to serve the needs of people in Connecticut. A steering committee was formed, which consisted of the 9 original founding members:

- Dick Ostop, Chairman
- Teri Polaske
- Felicity Bruns
- Henriette McHugh
- Kiran Majmudar

November 5, 1981

The Steering Committee held their first meeting at Howard Johnson's in Windsor Locks, Connecticut. They had a list of 20 names from National of the marketers from Connecticut who were attending Boston's meetings and planned a luncheon meeting to generate interest in a Connecticut chapter. This original list of 20 members consisted of:

- | | |
|--------------------------------------|------------------------------------|
| → Bruce Arneill | → Charles Meyerson (Assoc. Member) |
| → Peter Borgemeister (Assoc. Member) | → A.J. Mulligan (Assoc. Member) |
| → Felicity Bruns | → Leonard Morris (Assoc. Member) |
| → Mike Buckley | → Dick Ostop |
| → Vincent Cangiano | → Teri Polaske |
| → Sam Giavera | → Joseph Romano |
| → Mike Hough | → David Soleau |
| → Julio Laurerio | → Karen Warseck |
| → Hanriette McHugh | → Richard Whiteside |
| → Kiran Majmudar | |

November 19, 1981

Acting in an “unofficial” capacity, as a satellite of the Boston chapter, the 5 original members held the first luncheon program. Twenty-five (25) people attended the luncheon, which was held at the Hawthorne Inn in Berlin, Connecticut. The first guest speaker was Norman Cutts, who was then the Director of Facilities Design and Construction for the State of Connecticut Bureau of Public Works.

During 1981 and early 1982

The committee contacted other members who were traveling to Boston for meetings to generate interest in the new chapter. They also developed by-laws for the new chapter which were filed with the National organization.

Discussions with National took over a year. National had many questions, especially related to the boundaries of the new chapter. Ultimately, it was resolved by telephone area code – 203 and 413 area codes were designated for the new Southern New England Chapter, and people within Fairfield County had their choice of joining the Southern New England Chapter or New York City Chapter.

October 14, 1982

The first official Board of Directors meeting took place. It was at this meeting that a discussion ensued about whether SMPS would make it in this area. This meeting and subsequent Board meetings were rather informal and, although there was no formal election, a board was formed:

- President: Dick Ostop
- Vice President: Henriette McHugh
- Treasurer: Felicity Bruns
- Secretary: Teri Polaske
- Member-at-Large: Kiran Majmudar

May 12, 1982

A second luncheon was held at The Hartford Club, also while the group was a satellite of the Boston chapter. Martin Elroy of New York City was the guest speaker, and the luncheon was well attended by 35 people. It was this luncheon that really convinced the Steering Committee that the group could “fly” on its own.
